Sugar

YEAH, man, sugar 'n' spice 'n' everything nice — that's a perfect description of this skyscraper beauty from the Broadway show, 5-foot-10-inch Bunny Lawrence.

Just to round out her description, tho, we'll tell you that Bunny's round numbers are 25" for waist, 26 1/2" for bust, and 33" round her hips. And get this: her toenails are brick red. Could that be a danger signal — hooey?

'n' Spice

SPOTLIGHT NOW on sultry 'n' spicy Icy Medusa, a sassy actress' model from the Windy City of Chicago.

Icy is a brown-haired doll and from top-most curl to pretty tentacles, she's 5-foot-2, but with eyes of blue, watch! That trim torso you're admiring is neatly packaged at 100 pounds. Icy is just 19, a very engaging miss, but not engaged, yet! Good news!

There is another great benefit service rendered right in the home office in business buildings. Let's remember, remember, that good service is always necessary here, including, again, the use of the telephone. When damage by smoke or steam, broken glass or spilled material, etc., is not immediately discovered in the only commercial service located in a business building, it is a real disaster.

Me and My Shadow

BUNK!

NOBODY IS JUST "Naturally" SKINNY!

Give Me 15 Minutes A Day And I'll
Give YOU A NEW BODY

WOULD you believe it? I was once a skinny 110 pound scrawling. People used to laugh at my scrawny build. I was ashamed to strip for sports or for a swim. Girls laughed at me behind my back. Folks said I was just "naturally born skinny!"

Then I discovered my marvelous new muscle-building system—"Dynamic Tension!" And it turned me into such a complete specimen of MANHOOD that today I hold the title, "THE WORLD'S MOST PERFECTLY MACHINED MAN!"

WHAT'S MY SECRET?

When you look at the mirror and see a scrawny, bony, strapping fellow smiling back at you—that you'll be astonished at how fast "Dynamic Tension!" gets results!

ARE YOU

Shrunken and run down?
Anemic?
Nervous?
Tired?
Unbalanced?
Overworked?
Suffering from bad health?

Do you need to give weight?
WHAT TO DO ABOUT IT is told on this page!

"Dynamic Tension!" is the secret, the factor, which you can

select on the privacy of your own home—JUST 15 MINUTES EACH DAY—while you sit or stand erect and shudder muscles tug you to build strong, sturdy arms and legs of your bridge—and your whole body starts to feel full of vigour, energy, confidence, and new strength!

"Dynamic Tension!"
Builds You NATURALLY!

Thousands of other fellows are becoming marvelous physical specimens—my way. I give you a complete course of constructive, muscular exercises—my way. You simply follow the dynamic muscle-power to your own body in a very short time, you'll watch it grow and multiply into fast, solid, rippling, LIVE MUSCLE!
